

We've launched a
NEW Fulfillment Website

Dear Valued GLI Dealers & Distributors,

Starting May 10th GLI Pool Products will begin using a new fulfillment program for all your literature and sample needs. We believe this new program will be more user friendly for our Dealers and Distributors, saving you time and confusion. During this change-over we are asking our Dealers & Distributors to visit our new site and re-register their account. This process should take about a minute and you will be able to login and begin using the system immediately. We appreciate your understanding as we make this change, as we know it will provide better service for everyone.

If you are a new Dealer or Distributor to GLI we do ask that you register to JOIN THE GLI DEALER FORCE or register for a DISTRIBUTOR ACCOUNT. After your approval directions will be sent directly to you with information on how to access both the Dealer or Distributor image bank and registration information for the fulfillment site

Current GLI Dealers & Distributors should have received an email from our marketing department on where to visit to register a new account. If you did not receive this email please email marketing@glipoolproducts.com for directions or contact your Sales or Customer Service representative.

The GLI Fulfillment button should begin linking you to our new fulfillment site starting May 10th, you will have needed to register following the directions sent to you before you can access the fulfillment site through the link.

Please note to remove the expired Fulfillment Site from your FAVORITES as this will be discontinued at the end of the month. It is suggested that you add the new Fulfillment Site to your FAVORITES in it's place.

Sincerely,

GLI Marketing Department
