

The Newest in Aboveground Robotic Cleaning Equipment – the Dirt Devil® Pool Boy™

YOUNGSTOWN, Ohio - And you didn't think you could afford a POOL BOY! The Dirt Devil® Pool Boy™ is the highly effective and efficient robotic swimming pool cleaner of the 21st century designed especially for aboveground pool owners. Systematically cleans your entire pool floor in under an hour, while cutting total pool maintenance costs by up to 50%, including chemicals, water and energy - and works without hoses, the pool's filter or even you!
