

GLI LAUNCHES 72 HOUR GUARANTEED SHIPMENT ON SAFETY COVERS

YOUNGSTOWN, Ohio - Seventy-Two hours is a commitment GLI can stand by. Summer won't last forever and fall won't wait, so why should you?

Last April, GLI GUARANTEED shipment of custom inground pool liners in under 72 hours or less, now the offer is being extended for custom safety covers.

"In an seasonal industry, where fast, flawless and predictable delivery is a service that customers rely on when planning their business, we knew extending the guarantee to our safety cover line was the right thing to do," stated Rich Garbee, GLI V.P. of Sales and Marketing.

The GUARANTEE is the same as before, if we don't ship a dealer's CUSTOM safety cover in under 72 hours, the freight is free. This program runs July 1 through October 1, 2009 so don't delay. The clock starts when the clean P.O. is submitted and received. Standard terms and conditions apply.
